**Lighting Systems now represents MaxLite in Northern CA, and Reno.**

WEST CALDWELL, N.J. (July 1, 2021) – MaxLite announces the appointment of a new agent and territory expansion of an existing agent to represent its award-winning portfolio of energy-efficient lighting solutions and 10-year warranty program.

Lighting Systems now represents MaxLite in Northern CA, and Reno. Incorporated in 1971 as Lighting Systems, the agency has supported the industrial and commercial electrical products market with a strong dedication to product knowledge and commitment to quality customer service for over 50 years. They service electrical construction, utilities, MRO, OEM, industrial controls, and energy management markets. Lighting Systems may be reached at [www.ltgsys.com](http://www.ltgsys.com) or 510-982-3900.

“We are very pleased to be working with such experienced and dedicated teams of lighting professionals,” said Jeff Bristol, senior vice president of commercial and industrial sales and corporate marketing. “These agencies share MaxLite’s commitment to providing unparalleled product selection, service and support to lighting distributors and their customers. We look forward to expanding our capabilities in these key territories and building relationships that will mutually grow the MaxLite business for our agents and distributor partners.”
